

IN THE DRAWINGS

The Examiner objected to the drawings, stating:

The use of a circled reference numeral 14 with the reference numeral 19 above it shows that two different reference numeral are use for the dame structure.

The Applicant submits:

Fig. 14 has been amended showing a section 24A of rope 24 in phantom under the cover 19. Feature 19 is the cover. Feature 14 is an abutment. A drawing sorksheets is enclosed to illustrate these remarks in red and an amended formal drawing is included to replace the original fig. 14.
